## Invitation

16th International Invention Fair in the Middle East  
February 8 - 11, 2026 | Kuwait

Dear Sir/Madam,

It is with great honor that Kuwait Science Club invites your inventors to participate in the 16th International Invention Fair in the Middle East (IIFME), taking place on 8-11 February 2026 in Kuwait. This fair is an annual event organized by the Kuwait Science Club (KSC).

Established in 1974, KSC is a nonprofit scientific organization dedicated to serving the Kuwaiti Society in the field of science. It also provides support to the wider Arab region by participating in scientific conferences and conventions, backed by a substantial voluntary workforce. Our proudest achievement is the hosting and organization of IIFME in partnership with the International Exhibition of Inventions of Geneva.

IIFME is dedicated to creating a platform for Arab inventors to collaborate with their counterparts from non-Arabic speaking regions, enhancing collaboration between investors and inventors, and inspiring distinguished inventors to join the fair and network with both investors and Arab inventors.

In line with its ambition to draw the most talented individuals globally, IIFME is pleased to offer more than \$60,000 in cash awards. Furthermore, participants will have the chance to experience Kuwaiti culture and engage with our vibrant and youthful community, shaped by both Middle Eastern traditions and international educational practices.

The IIFME organizers, along with KSC board members, sincerely hope that you will accept this invitation and are looking forward to warmly greeting your inventors in Kuwait.
